PREFACE

Introduction to the 'Mission Accomplished' final version in Internet Archive and the additional introduction to The Allurement of Reality in Review Shop: 'Come for me and my Party the Conservative Libertarian Party of the United Kingdom as a Republican Party.'

In Instagram notification soon afterwards flashed across the top of the Mobile Phone from the terrorists.

I texted Jill Jesson on WhatsApp at 9.14 pm: So Jill, I decided to keep my old glasses to save money to book a few Zoom Sessions with you, if you please agree.'

I texted again at 9.16 pm 'I want a Session as soon as possible.'

Jil Video called me at 9.17 pm. We spoke for a minute or so. She said she was with a client. and that I should let her know some dates next week and a Session would follow. I said 'I will book the Session now.' She agreed.

I then went to her website and booked a session for £60.

Dear Sir/Madam

Until a few years ago I used to be a member of Liberty Human Rights and had brought my suffering at the hands of the State to your attention but you had other priorities so were unable to assist me then.

That is no problem for me now as I had to go it alone to withstand tyranny inflicted on me over 26 years that I went through legal manoeuvres in the Courts both civil and criminal to try and attain justice.

The long and the short of the matter is that I have formed a Republican Party within the United Kingdom, as linked here: <https://www.theconservativelibertariansociety.com/post/the-conservative-libertarian-party-of-the-united-kingdom-turns-republican>.

I am accordingly writing to know from Liberty what my rights and privileges are living in the United Kingdom with a United Kingdom nationality and a British Passport, drawing State pension to add to my occupational pension.

If you would be so kind as to advise me as I rejoin Liberty this morning, I would be most grateful.

Yours sincerely

Dear Beth

I profoundly apologise for suggesting that the Office had been 'lackadaisical' in considering my passionate belief that Liberal Democrats are philosophically my 'political home' in the United Kingdom, but I was frustrated with the long and cumbersome process of the Party through which the matter is progressing which means that right now I am disenfranchised from the political process of the United Kingdom.

Updated this book in Internet Archive and The Allurement of Reality in Review Shop with the introduction of 'We wait and see.'

A repeat notification of a post made in The Conservative Libertarian Society that I had already dealt with yesterday came by email that I deleted it after checking that post.

Update:

At 9.48 am texted Jill Jesson on WhatsApp: 'Not sure if you have seen your site Jill, but I booked a Zoom Session for next week, Tuesday or Wednesday'

Jill Jesson replied at 9.49 am: 'No as going into work a bit later. Will check diary then and confirm a time for you.'

I texted back at 9.50 am: 'ok'.

At 11.25, tried to send a contact point message to Reform UK Party but there was a technical problem which required the message to be delivered by speaking to someone on the telephone. So I telephoned the number and spoke to a lady. I gave her my membership number of 1140703 and name and asked if she could arrange my payments to be on Direct Debit basis. She checked my details and said that it was set up as an annual recurring Account and since I had requested the refunds I was sent an email: did I not receive the email. I said I wanted the Direct Debit arrangement because the online system was causing me problems in that instead of taking £25 it was taking £50. I added that I do want to be part of Reform UK. She said she would look into it and send me an email. She said they have the details. I ended with 'OK do what you need to do and send me an email.' Call ended.

At 10.46 am the Mobile Phone rang from a Spam Caller dialling from 0300 456 0300.

Your Honour

If I am marginalised from both the Judicial as well as the political systems of the nation in respect of the link here:

<https://www.knowledgeassessmentanddissemination.com/post/website-help-from-krishna-as-requested> on which no movement has been forthcoming except for a Spam call from the State authorities to our Landline Phone at 2.45 pm today; there simply has to be an approved Political Party that is Republican in concept that can be registered with the electoral commission and be allowed to contest elections at council and general elections.

I have tried the Labour Party, the Liberal Democrats Party and the Reform UK Party to allow me to join them with my political views, but none have acceded to the determined attempts, giving no reason for their decisions. And I am litigating against the Conservative and Unionist Party

through Claim E35YM660 represented by the Prime Minister, so I cannot join this Party either or vote for it in elections.

So who do I vote for in elections?

Please advise me if the proposal here is sustainable within the Constitution of the United Kingdom: <https://www.theconservativelibertariansociety.com/post/the-conservative-libertarian-party-of-the-united-kingdom-turns-republican>.

The introduction of mesh coil technology has revolutionized vaping by how to make vape juice providing improved flavor and vapor production. Mesh coils have a larger surface area, resulting in faster heating and a more even distribution of heat.

Official Complaint against Forz Khan barrister/Chambers

 date: 5 May 2024, 12:09
 subject: Official Complaint against Forz Khan barrister/Chambers

Dear Mr Forz Khan

In view of your silence concerning the £3000 that I paid the Firm with a contractual agreement for a private prosecution against Kent Police in the Magistrates Court or the Crown Court, but you did not act quickly enough for my purposes so I asked you to refund that money; following which you refused to get involved in the civil litigation against the Prime Minister of the United Kingdom in Central London County Court under Claim E35YM660 wherein I demanded £100 million in damages and compensation for the 26 years that I suffered from defrauding me of my severance payment of £55,000 by the University of Greenwich, MI5 engineered trolling terrorism under the guise of Victims of Panigrahi Association, police brutality by Kent Police, North Yorkshire Police, West Yorkshire Police, the Independent Office for Police Conduct, terrorism through Banks and Institutions such as Employment Business, The Financial Services Ombudsman, The Parliamentary and Health Services Ombudsman, persecution for being a

Hindu, intensive perverting of the course of justice and obstruction of justice; I put it to you that you were well aware that both Police authorities, the other security services and the Prime Minister were above the law and your demand for £3000 to lead me astray was perverse.

The Bar Standards Board has informed me that you have 4 weeks to reply to me on this complaint following which the matter will go to the Legal Ombudsman for a decision in accordance to my subsequent findings as linked here:

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 12 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman
PO Box 6167
SLOUGH
SL1 0EH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday. Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website (www.legalombudsman.org.uk). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We are committed to making sure the way we work does not put you at a disadvantage so in addition to our legal duty to provide reasonable adjustments for disabled people, if you need any help or support, please tell us about it and we will do our best to meet your needs. We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.

On this Thursday morning the 16th of May, at 5.29 am my Mobile Phone rang but it was not the normal tone that I usually find the phone ringing; it was a British Telephone Landline type ringing tone which I found very disconcerting and so did not respond.

When I looked at the WhatsApp Account with Jill Jesson two Video Calls that went as Missed Calls had appeared at 5.17 am and 5.29 am, and this was followed by text message from Jill Jesson at 5.30 am: 'Shantanu, what are you doing phoning me at this awful time? What is the matter?.

I started replying but thought instantly the better of it as a MI5/MI6-engineered activity, so stopped myself and did nothing.

Your Honour

The Conservative Libertarian Party of the United Kingdom has severed all associations with the Reform UK Party and there is no guarantee that it will in due course be assimilated within the Liberal Democrats Party as you will note from the contents of the link:

<https://www.thelibertariandemocrats.com/forum/diary-of-the-author/14-may-2024-08-04-am-uk-time>. (link now only available at <https://www.theallurementofrealityinreview.com/shop> and <https://archive.org/details/@panigrahi491>)

This begs the question of whether the Conservative Libertarian Party of the United Kingdom should be a Republican Party as linked here:

<https://www.theconservativelibertariansociety.com/post/the-conservative-libertarian-party-of-the-united-kingdom-turns-republican> in light of the fact that the author and Founder of the Party has not received any amount of damages and compensation from the Cabinet Office of the United Kingdom and furthermore the Claimant of Claim E35YM660 has not received the Full Written Reasons for the lack of Judgment and accompanying Order from the Judiciary of the Court of Central London.

I should continue with business as usual if I do not receive a reply from the Judiciary this morning.

Yours sincerely

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 12 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman
PO Box 6167
SLOUGH
SL1 0EH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday. Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website (www.legalombudsman.org.uk). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We are committed to making sure the way we work does not put you at a disadvantage so in addition to our legal duty to provide reasonable adjustments for disabled people, if you need any help or support, please tell us about it and we will do our best to meet your needs. We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.

If you are requesting personal data under Freedom of Information or the Environmental Information Regulations or would like a copy of personal data under Data Protection please email infosec@legalombudsman.org.uk

Jill Jesson texted back at 9.12 am: 'OK will send you Zoom when I can. But this is confirmation that I will see you at 2.'

I texted Jill back at 9.13 am: 'Ok Jill.'

09.28 am (UK-Time) 16 May 2024

Uploaded this book in Internet Archive and The Allurement of Reality in Review Shop with the introduction: No need for help to preserve'.

When there was no response and no Zoom link from Jill Jesson: the situation looked ominous, so had to enforce the proceedings by publishing my email to the Legal Ombudsman in Daily Bulletin, tweeting and posting it in Vishista Advaita Sampradaya page of Facebook:

<https://www.knowledgeassessmentanddissemination.com/post/legal-ombudsman-file-reference-f172030-eref-001106018602>

The landline rang at 10.30 am: no one at home to answer the Phone, not that I would ever answer the Phone being in total isolation as a mental patient: who in his right mind would be a Republican in a Dictatorial Monarchy and worse try and create a political Party to contest elections where one has to take Orders from the Monarch through the King's Speech; conscientious objector or no conscientious objector to the status quo, as this Phone ringing just after publishing for security shows. Take no action.

10.37 am (UK-Time) 16 May 2024

It is 10.40 am and no Zoom link from Jill Jesson.

I've been searching for the perfect blend of style and comfort, and I stumbled upon Gildan's G420 performance t-shirt. It's not just about wearing a brand; it's about embracing quality and performance. Promoting the knowledge service of our own brand means sharing what truly resonates with us, and I can confidently say, this tee speaks volume.

Updated this book in The Allurement of Reality in Review Shop and then in Internet Archive, the latter with the introduction of: 'I am in my right mind.'

13.10 pm (UK-Time) 16 May 2024

Update:

Cleared all my emails from Yahoo and Gmail Accounts, including Inbox, Sent, Spam, All mail, but not Archive in Yahoo Account.

As I was being ignored and 2.00 pm was looming, sent a WhatsApp text to Jill Jesson at 1.31 pm: 'When will you refund the £60 Booking Fee?'

13.38 pm (UK-Time) 16 May 2024

Two requests for Follow came in LinkedIn, both of which I ticked as accepted.

13.46 pm (UK-Time) 16 May 2024

I did not log into the 2 pm Session. At 2.01 pm Jill Jesson Video Called me and I did not answer so it went as a missed Call.

Jill Jesson texted me on WhatsApp at 2.03 pm: 'I am waiting for it on Zoom. I reserved 2 pm for this appointment. The booking fee pays for this.'

At 2.04 pm, Jill Jesson texted again: 'You need help Shantanu as you are not well.' You rang me at 5.17 and 5.29 this morning.

At 2.12 pm I texted Jill Jesson: 'I told you I have nothing to say on the matter. I have had enough.'

Jill Jesson texted me at 2.14 pm: 'But you booked me and confirmed today's appointment at 2.

I texted Jill Jesson at 2.17 pm: 'You forced me to. I wanted Friday 24th 10 am.'

Jill Jesson texted at 2.19 pm: 'Leave it till then.' But you need it now because I can help you when you are unwell.'

I texted: 'OK.'

Jill Jesson texted at 2.20 pm: 'What does that mean? Yes to the Zoom now? or No?

I texted Jill Jesson: 'This as I said is a legal matter being dealt with by the Legal Ombudsman.'

Jill Texted: at 2.23 pm: 'Then leave today if you don't want it now.'

14.36 pm (UK-Time) 16 May 2024

Update:

Updated this book in Internet archive and The Allurement of Reality in Review Shop with the introduction of 'Easy does it'.

At 2.59 pm I texted Jill Jesson on WhatsApp: 'It was not me who made those 5.17 am and 5.29 am calls to you.'

I then Video called Jill Jesson, and there was no answer.

Dear Forz

On this Thursday morning the 16th of May, at 5.29 am my Mobile Phone rang but it was not the normal tone that I usually find the phone ringing; it was a British Telephone Landline type ringing tone which I found very disconcerting and so did not respond.

When I looked at the WhatsApp Account with Jill Jesson two Video Calls that went as Missed Calls had appeared at 5.17 am and 5.29 am, and this was followed by text message from Jill Jesson at 5.30 am: 'Shantanu, what are you doing phoning me at this awful time? What is the matter?.

I started replying but thought instantly the better of it as a MI5/MI6-engineered activity, so stopped myself and did nothing.

Then to be on the safe side, I texted Jill Jesson back at 6.34 am: 'I am very worried and anxious Jill.'

She has not replied.

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 12 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman
PO Box 6167
SLOUGH
SL1 0EH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday.

Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website (www.legalombudsman.org.uk). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We are committed to making sure the way we work does not put you at a disadvantage so in addition to our legal duty to provide reasonable adjustments for disabled people, if you need any help or support, please tell us about it and we will do our best to meet your needs. We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.

Fake tickets can look genuine

Fake tickets can look genuine

Hi Shantanu

Scammers know how much we might want tickets to see our favourite artist or sports team.

So when tickets for popular events are expensive or sold out, they take advantage by selling fakes.

Make money work for you

Be careful when buying second-hand tickets on social media

-

Check the event's website to make sure tickets can be resold or transferred, as there are often strict rules

-

Always research the seller. Look for reviews or comments about them, and be suspicious if their profile is new or has very few followers

-

Don't assume everyone in a fan group is genuine. Scammers join these groups to gain your trust. Be suspicious of websites selling rare or unusually cheap tickets

-

Research websites by looking for reviews and mentions of them elsewhere on the internet

-

Check the site address is correct, and that they offer the payment method you were expecting

-

Don't assume a site is genuine because it appears high in your search results. Anyone can pay for this position, including scammers.

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 12 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman

PO Box 6167

SLOUGH

SL1 0EH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday.

Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website (www.legalombudsman.org.uk). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.
